The Channapatna Women Hospital

(of the C S Z M S.) was opened on Jan 4 1906.

The work was begun in the first instance by the invitation of the men of the Town.

There is no other Women's Hospital nearer than Bangalore (34 miles) & Mysore (49 miles) on the other.

Since Jan 4 there have been 62 inpatients & the ward with 7 beds has been over-full more than once.

The Government Hospital near cannot attend to Gosha women. Lt.Col. Smyth I.M.S. has expressed his hearty sympathy with this work.

The initial difficulty was the acquiring of land for the present buildings.
Eventually they were put up on a slip belonging to the Wesleyan Mission
There is now no room at all for extension.
Adjoining the present site is an open field which one Deputy Commissioner believed could be acquired for the women's medical work
On Enquiry this proves to be Mysore Palace land & we are anxious to know if, for this philanthropic purpose, the Palace could sell or grant a few acres to the Hospital.
At present the field is rented to a farmer.

CHURCH OF ENGLAND ZENANA MISSION HOSPITAL,

BANGALORE,

S. INDIA.

From a Sanitary point of view it is very well situated for a Hospital

It lies between the Petiah & the Fort & on the high road

The medical work has affiliated with it a small but certainly growing Industrial women work & for this branch too the need for more space is great urgent

We trust that the Mysore Govt will consider the needs of women in villages far from large Centres & give us what help is possible.

Sir,

With reference to your D. O No. 1343 M.D (47-06)-2 of the 10th instant regarding the land required for the extension of the Zenana mission Hospital at Channapatna I have the honor to state that the Assistant Commissioner in charge of Closepet group of Talukes to whom the matter was referred reports after inspection in his letter of the 14th instant that the land in question viz. S. No 528 measuring 7 acres. 31 guntas

belongs to the Mysore Palace
it has been leased out for 10 years
to one Venkatappa at an annual
rental of Rs. 125/. This man
has no objection to give it up if
required by Government after
harvesting the standing crop of
Ragi and Avaré. The Assistant
Commissioner also states that he
was not able to ascertain the extent
required for the Hospital as Miss
Lillingston had not left any
instructions in the matter and he
has asked the Amildar to ascertain
the same after writing to her. Further
it will be seen from the Assistant
Commissioner's letter that the Palace
authorities once refused to part
with this land when it was required
for the High School buildings. The
question of parting with the land
to the mission authorities will

therefore have to be decided on consultation with the Palace Authorities. On receipt of further report from the Anatolian Commissioner, the exact extent required for the extension will be intimated.

The enclosures received with the above is herewith returned.

My dear Sir,

Please refer to the General and Revenue Secretary's letter No.6296/Med.47-06-11 dated 6th January 1908 to you on the subject of the land required by the C.E.Z. Mission for the extension of their Women's Hospital at Chennapatna.

The ladies of the Mission saw the Dewan yesterday and said that they only wanted the Palace land (survey No.528) and that they did not want the portion of survey No.529, referred to in para 2 of the Secretary's letter.

The delay in the disposal of the question is probably due to enquiries having to be made in regard to the portion of survey No.529 mentioned above, but as the ladies now say that they do not require any portion of survey No.529 but want only the portion of survey No.528 which the Palace Officer has agreed to give, the Dewan hopes that you will be able to dispose of the question very early, fixing a fair price for the land. The Dewan told the ladies that the matter could be settled at once and that they would be enabled to start work on the land within a week.

Kindly let me have a line in reply as to the action taken.

Yours sincerely,

Sir, With reference to your circular No. 6296 dated 6th January 1908 in re Med 47.06.11 the grant of land required for the Extension of the Kanana Mission Hospital at Channapatna I have the honor to state that the 3 acres and 6 guntas of land in S. No. 528 of Mangalawatte, which land is Palace property, is valued at Rs. 200/- an acre. As the land adjoining this S. No. was a few months ago acquired for the play ground of the Channapatna High school at the rate of Rs. 200/- an acre, the present valuation is quite fair. If the

authorities of the Zamana Mission Hospital are agreeable to the evacuation, the Officer in charge of the Palace Establishments, may, if necessary, be addressed to arrange for having the necessary conveyance deed executed.

No action has been taken as regard the acquisition of 6 guntas of land in S. No. 529 which does not seem to be wanted by the Mission (Vide Under Secretary's D. O. No-964 dated 4 February 1908).
